The number of outstanding loan cases in this
trict exceeded 1,500 somewhere in December, 1949.
h the lapse of time, the number steadily increased
it came to 1,711 on 30.6.1950. It is still
reasing as the present policy of the Government is to
nt loans liberally to Agriculturists. All along,
of the permanent Accountants has been looking after
work in addition to his regular items of other account
k. As the loans work has considerably increased it is
possible to attend to it efficiently without and additional
ountant as per the scale laid down in Chapter 8 of the Madras
ikkavi) Manual. I request that the Board may be pleased
sanction one Accountant on Rs.45-3-60-2-90 to attend
loans work in the Collector's Office, South Kanara.
